RE: Response to Your Inquiry - State of New Jersey
Tax Exempt Status

Based on information obtained from the Division of Taxation, it has been determined that agencies of the State of New Jersey are exempt from New Jersey Sales and Use tax (NJSA54: 32B01).

An exempt organization certificate or number is not required for any State of New Jersey Agency to make tax exempt purchases. The official State letterhead or official State purchase order signed by a qualified officer is sufficient proof for a vendor that the State of New Jersey is exempt for paying sales and/or Use Tax.

Sincerely,

Adrienne E. Kreipke, Director
Budget and Finance
